

THE ART OF RESEARCH

Izinto zokuhlamba ilungu lobufazi ezivela ngaphandle komzimba zenza umlomo wesibekeko ungaqheleki nje kuphela

Ukusetyenziswa kweemveliso zelungu lobufazi kunokuba ngunobangela womngcipheko ophezulu we-HIV nosulelo lwe-STI.

UPhumla Radebe ngumfundi we-PhD ojolise kusulelo lwamalungu angasase abasetyhini kunye nosulelo olosulela ngokwabelana ngesondo kwiYunivesithi yaseKapa.

Uninzi lwabasetyhini abafikisayo emaphandleni KwaZulu-Natal – ummandla onomthwalo omkhulu wee-STI – okwangoku benza izenzo ezinxulumene nelungu lobufazi okanye basebenzisa iimveliso zelungu lobufazi ngezizathu ezohlukeneyo, ezifana nokugcina amaqabane okwabelana ngesondo ngokuliqiniseka kunye nokulifudumezela ubumnandi bezesondo ilungu lobufazi, okanye ngezococeko zelungu lobufazi.

Nakuba kunjalo, ngexa lokufikisa, iithishu ezikulomo wesibekeko zibuthathaka ngenxa yokuceketheka kunye nokuba nethishu ecekethekileyo enemithambo. Ukusebenzisa iimveliso zokonyusa ekwabelaneni ngesondo kwimeko yokwabelana ngesondo kunokubanga ukuba ube sesichengeni kakhulu sokusabela kokukrala kunye nokugqabhuka kwesithinteli senwebu ecekethekileyo; oku kunokukhokelela kufikelelo olula kwimixokelelwano yegazi neyeenkovu zii-STI, kuquka i-HIV, kwaye kwenzeka kakhulu ukuba ibe sesichengeni imiqobo yeenwebu zangaphakathi. Ukuhlola umngcipheko wobomi wezihlo ezingalunganga ezinokuba sisiphumo sokusetyenziswa kwezi mveliso, abaphandi base-UCT baphanda ngobukho jikelele bemveliso zelungu lobufazi, iziphumo ebezingalindelekanga ezixelwa ngabantwana abafikisayo, kunye neziphumo ezivelayo zomlomo

Ukusetyenziswa kweemveliso zelungu lobufazi kunokonyusa ingozi ye-HIV nosulelo lwe-STI.

Presented in association with the Institute of Infectious Disease and Molecular Medicine, this programme forms part of #theArtofResearch, an initiative of research communication specialists Jive Media Africa.

wesibekeko (ukukrala, ubukho beeseli ngaphandle komlomo wesibekeko, umonzakalo, ukufunyaniswa kolwelo lwelungu lobufazi olugqithisileyo olumhlophe nolungaqhelekanga) ezi ezibangwa zezi mveliso zelungu lobufazi.

“Uphando lwethu luza konyusa ukubaluleka ngokwezonyango

kwezi mveliso kwinewebu yethishu yomzimba enganyangwanga, kunye nangethemba lokunika ulwazi malunga notshintsho oluvelayo oluviwe ngaba basetyhini xa bebesebenzisa ezi mveliso,” utshilo uPhumla Radebe.
